

“Create a Scavenger Hunt”

Inside Compass Activity

Directions:

Using the Bernabi school map and given compass, create a scavenger hunt that requires hunters to travel throughout the building. The following is required:

- *Establish a start (it must always be facing North)*
- *Give hunters directions to follow:*
 - *When facing North, turn towards 50 degrees.*
 - *Now walk 30 feet in that direction.*
 - *Now, while facing North, turn towards 325 degrees.*
 - *Now walk 5 feet in that direction.*
 - *You have come to the end, where are you? _____*
- *Decide which member of your team has the average size foot to mark your distances.*
- *Place the answer to your scavenger hunt’s end on the bottom of your paper.*
